## MAY 16-17, LUND, SWEDEN

### May 16

**9:30** Registration and welcome

**10:00 – 12:00** "Advanced engine simulations in 0D and 3D-CFD frameworks using LOGEsoft tools "

**12:00 – 13:30** Lunch

**13:30 – 15:00** "Advances and updates in LOGEfuel reaction mechanisms"

**15:30 – 17:00** "1D Catalyst simulation capabilities with LOGEresearch "

**19:00** Dinner

### May 17

**9:00 – 12:00** LOGEsoft training:

- LOGEresearch
- LOGEengine
- LOGEtable
- LOGEapi

**12:00 – 13:00** Lunch

**13:00** Meeting ends

#### How to get to the meeting

The nearest airport is Kastrup Airport in Copenhagen, Denmark. The train ride from Kastrup to Lund is about 45 minutes long.

#### Where to stay

We have reserved rooms at Elite Ideon Hotel, Lund. If you want to book a room, please contact [gabriella.lemcke@logesoft.com](mailto:gabriella.lemcke@logesoft.com)

#### Meeting venue

Ideon Science Park, Scheelevägen 17, Beta 1 Building, Lund.  
Conference room: Ragnar Josephson.

#### Do you want to present?

You are welcome to present your results using LOGEsoft at the meeting. For more information, please email [andrea.matrisciano@logesoft.com](mailto:andrea.matrisciano@logesoft.com)

#### To register for the meeting

Please call us at +46 286 2480 or email [gabriella.lemcke@logesoft.com](mailto:gabriella.lemcke@logesoft.com)

#### No fees!

The meeting is free of charge and including dinner and lunch, but not including travel and hotel.
